Puget Sound Tugboat Tolers

A Chapter of the Society of Decorative Painters

July 2017

Happy July –

Summer has begun and Christmas in July is our theme for the July meeting. We will have ornaments and patterns and paints supplied, and hope to get ornaments done for our Christmas Bazaar at Christa Shores.

I love spending time with my fellow painters. We had a wonderful class in June taught by Nancy Walch. We all enjoyed our summer Sunflower Girl. I actually got it completed IN CLASS! What a great feeling. Thank you Nancy! Totally enjoyed your class.

On a business side we need someone to step up and volunteer to lead a nominating committee. Easy job. Reach out to our members and see who would enjoy being on the board. Would be a nice head start as we will be voting via email or snail mail for our choices this year. Those of you who think it is "hard" to be a board member...trust me. It is not. It has (so far....only halfway through the year) It has been FUN! I enjoy working with the ladies so much. Please, think about what you LIKE to do....and the positions and go for it. You cannot fail...I have had SO much help and back up these last two years.

Lunch this month is potluck. Since this is summertime, let's all plan on bringing fruits, vegetables, cheese and bread. I'll bring a snickers salad. Bring your favorite dish to share with everyone.

Hope you are all having a good summer and enjoying your summer.....See you the first!

Thanks so much for another fun, tip filled lesson Nancy. I so enjoyed it!
Judy

Can I put in a request? I want to find out if anyone is going to the Portland convention. I am looking for a ride down. I have a ride home.
~ LuAnn

I just want to thank all those working on the board for their many Creative ideas and for the enthusiasm I feel when I get to paint ins and meetings! I have enjoyed getting to know others and the tremendous classes, classes and sharing.
It has been a fun year so far at Tug Boats.
Thank all of you.
~Nancy Walch

MAKE IT AND TAKE IT DEMO

I am going to demo the watercolor using stamps that I showed last meeting. There will be a $1 charge for each card and I will offer 2 cards that can be painted. I am attaching a picture of one of them.....I haven't decided on the second card yet. The one in the attachment uses a masking liquid which people seemed to be interested in last time I demoed. Those wanting to do the make it and take it will need a no. 4 round brush.

Let me know if you have any questions. ~LuAnn

I am looking for ideas that work for simple crafts for seniors (mostly women) that I can offer to the residents of Pinewood Manor. Projects need to be capable of completing in about one to 1 1/2 hours and the materials need to be fairly simple. They really can't afford a lot so I scrounge up supplies from anyone who has some spares. I wanted to make a notebook of ideas with project photos so that if I am unable to be there another teacher might step in. If that notebook turns out well maybe I can offer that for other club members to use. Thanks to LuAnn for her great ideas I have a start but, at two sessions a month, the ideas need to be refreshed. If you have suggestions, please bring a printout to the meeting or send me an email. Thank you in advance from the Pinewood Manor seniors and me!
