## Vice President

Well the holidays are almost upon us. My daughter and I went to the Tacoma dome holiday gift show today. Lots of crafts and good food. I am looking forward to all the bazaars and craft shows in the next few weeks.

Georgia Magarrell taught us the class Truffle McFudge this past month. What a wonderful class and she is a great teacher. I came home with an almost complete surface. I only had a few minor details to complete. Thank you Georgia.

As a reminder to submit any patterns you may wish to teach next year by our meeting in December.

Happy painting!

Barb
