## President's Corner

Merry Christmas!

I hope this finds you all well and still painting. This has truly been a rough year but I know it can only get better! Have you been taking advantage of the Facebook and Zoom classes out there? I have included the directions and pattern for a Free class from Maxine Thomas. You can find the Video instruction on her facebook page. I have not had a chance to paint it myself yet, but it sure is cute!

I want to thank everyone for sticking with us this year. I am sorry that we have not had real visual connection, but even my abilities are limited!

As we move towards 2021 our group is still strong and intact! Bring your ideas in how to grow in the coming year. One thing that this year has taught us is that many teachers are available on Zoom classes. Would that be something you are interested in? How many of you would actually feel comfortable on your computers to do this? As your new board is

coming in, let them know! I am excited to see what ideas they have for us coming up!!

And, in case you missed the email.. If you are a Paid Member of Tugboats for 2020, you are Automatically Paid for 2021!! Please remember to pay your SDP dues though!!

Thank you everyone for all that you do! Have a blessed and healthy Merry Christmas!

Happy Painting

Monica

Installation TBD....hopefully at our January meeting

Committee heads to be appointed by the incoming president. If you are interested in a committee position, please email Helen to express your interest. Cyndy Abramson is going to be living out of state for a while, so we will definitely need a new Christmas Party chairperson.

If you are interested in teaching either a long (6hr) class or a short (3-4hr) class in 2021 please let me know ASAP. We hope to roll over many of the classes we didn't get to have in 2020 but we will still have slots to fill.

Hello my painting friends! Hoping you all had a safe and enjoyable holiday. This year sure has been different. Quite lonely actually. I have taken and totally enjoyed a couple of the Zoom classes offered. Once I get over the "computer" fear. That is quite the challenge for me.

I see some posts on the Facebook page...would LOVE to see you post some of the projects you all have been working on.

I am praying that 2021 is kinder to us. I say this with hope as every year it feels like I say ...oh wait till the next year it will get better...but it has fooled me the last few years.

I had to look at my "brown bag" project. I had it done with in three weeks of when we got them, and had forgotten WHAT I painted. Of course SINCE then, I have found several OTHER patterns I would like to have painted. lol

Take care...stay safe....stay connected to your friends and family.....phone, email, text. We all need it. *Helen*

Well I sure miss all of you I am getting a little bit of work in but I have had a lot of time on my hands so I made a new inflatable that will be in my front yard, I am going to string lights on the edge of it also. I wish we could get together but I guess it will be a while longer. I hope you all are doing good and trying to keep busy at this time. Merry Christmas.

I would like to thank Monica for doing the newsletter for me while I was under the weather. I so appreciated it. I'm feeling much better and glad to be back. ----- Nancy Welch

## December

There are no December Birthdays

Patti just received the confirmation from Scharff Brushes. They are still allowing our club discount and will ship the orders to Patti Peterson as in the past. Questions can be directed to Patti's email – [pjpatti03@wavecable.com](mailto:pjpatti03@wavecable.com), or call 360-895-0174. Products are available to review on the website, of course. Because of the way we are separated by the pandemic, special arrangements will be made to meet/drop off the brushes purchased.
