President's Corner

Hey there Painters!

Happy Independence Day! Well, as Independent as we can get with our country in the state it is in. I pray that you all stay safe and well. This too shall pass.

A huge shout out to Cyndy McBride and our personal facebook DeStash! What generous donations, and all the time that Cyndy took to organize, price, photo and list! If you have not checked it out yet, better get too it! Once we are done, prices go up and it goes on the main destash pages on facebook. I found it amusing that some of the same pattern books listed for TBT at \$2,00 were selling on DeStash for \$5 plus shipping, so don't miss out!

The church is pretty confident that we will be able to meet up starting our August Class! Georgia Magarrell is set to teach, it will be so awesome to get back together! I have missed all of you!

Due to the uncertainty of everything, we have canceled the Becky Albeke class. Hopefully we will be able to reconnect with her next year.

Stay Well and Paint On!

Monica

Please, I am depending on all of you to send me an email if you know of someone that needs cheering up. This is not any one person's job, the communication from every one of us is vital and I must say so far we are doing a GREAT Job. Please keep the messages coming.

I will ask our President to send me a reminder of a nice card should she hear of it. This way we are making sure no one gets left without saying "**THINKING OF YOU**".

Tugboat Talk

Hello TBT friends!!

I hope this email finds you all well!! I am eager for our group to paint together again!!

Thanks to the incredible generosity of several of our members, their family and friends, we have an over-abundance of wonderful pattern packets, books, surfaces and misc....far more than we can ever use for a raffle. In an effort to reclaim my family room (and make a lil money) we decided to create a TBT "de-stash sale" on our TBT Facebook page.

Beginning this week, I will be posting several albums in the photos section of different items for sale. Simply comment "me please", "mine" or similar on the photo of the item you want and it is yours! Feel free to comment "next" or "NIL" (next in line) in case the first person passes or we find extras!! If you need more info, need a closer view, etc, don't hesitate to ask. Prices are far less than the items would normally sell for on the other FB destash sites (and I would know, as I am a very frequent shopper there 🤔)

Let me know when you are done and I will email you a total. Payment by cash or check; I will deliver to our next meeting (hopefully August!!) or you can pick up at my home in Tacoma. For those of you out of the area, I can invoice and ship via Paypal (subject to a 3% surcharge to cover Paypal fees, plus shipping costs). There is no restriction from you purchasing something for someone else, but we ask you to be respectful and not purchase something strictly for resale.

Anything not sold by mid-August will be listed on the other destash sites....at higher prices :) All the money we earn goes to the chapter.

Due to the sheer volume of "stuff" it is going to take me a few days to upload all the photos...there are over 300 packets, 200 books and about 100 surfaces and misc items....

To be fair to everyone and make it easier for me, commenting/purchasing will open at 6pm on FRIDAY, JUNE 26TH!! Any comments before that time will be disregarded. Feel free to peruse the albums ahead of time and see what is available. Sorry, no pre-sales of "reserves".

I want to extend a special thanks to Pam Stalker, her mom Sharon, and aunt Shirley as the vast majority of the books and packets were donated by them.

Any questions?? Please email, call/text (253-380-1662) or tag me on FB, and I will respond as quick as I can.

Cyndy

Hello my fellow painters. Wow, it feels like FOREVER since I have seen you all. I sure miss it. SO MANY fun classes missed...but hopefully will see many of you at our August meeting. Our class with Georgia. Love those pretty knife sets.

Is everyone painting in the hopes of our shows this year? I included a few of the projects I have done so far most of the ornaments I have tried to do several of plus finishing several others. The pansy piece has three vials for flowers that go in the holesSEE YOU SOON~ Helen
