

Tugboat Tolars

March / April 2024

NEW HOPE CHURCH

1522 Baby Doll Rd SW
Port Orchard WA 98366

PRESIDENT'S NOTE:

Hey there!

First, I want to say Thank you all for hanging in there with us as we work to reset our schedule. We are working on setting up the Calendar but have plans to be ahead of the game for 2025! Please let us know what you would like to see happening in your group and the Board will see if we can make it happen!

Our March Meeting will be followed by a time to Paint Your Own Thing! The tables will be assembled for us to paint as a group and chat about this and that. Cyndy McBride will also offer a Demo of the new DecoEarth paints which are made with 70% reclaimed paints.

Our April 13th Class will be with LuAnn Ward with really pretty floral Notepads!

We will also be scheduling a Zoom Only meeting for anyone wanting to review the Standing Rules and ByLaws as there will be changes coming up. The current ones are on the website. I encourage all of you to go and read them. Please email me at mbayness@gmail.com to add your comments, questions and concerns.

See you soon!

Monica

Doors Open 9:30am
Meeting 10:00am
*Class starts at 10:00 on days
with no meeting.*
Lunch 12:30pm

10:00am

FROM THE VP:

I can't believe it's already March. I don't know about you but I'm ready for spring. It's my favorite season. I love to see the bulbs pushing up through the soil and the bushes with their new sprouts.

This year our club has 4 remaining class dates scheduled. Our next class will be in April with Luann and her cute sticky notepad covers. Our plan is to have more time for submissions for 2025. Cut off date will be October 1st. So if you want to teach in 2025 get those submissions in early. Membership will be voting on them at the November meeting.

See everyone at the next meeting! Barb

MARCH HOSTESS:

CYNDY MCBRIDE

Main Dish: Ham

Side Dish: Potato Salad

*Please bring a side dish,
dessert or bread to
compliment.*

DecoEARTH is an all-purpose, water-based premium acrylic made with reclaimed paint. The complete line averages for 70% or more recycled material. DecoEARTH's creamy consistency makes it easy to work with a multitude of projects and allows the paint to flow off the brush smoothly. The colors are intermixable and can be used indoors or outdoors. The paint has a beautiful matte finish and covers most surfaces in one coat.

Out of the 700 million gallons of house paint purchased yearly, 75 million gallons go unused and eventually head to the waste stream. We set out to create DecoEarth Premium Reclaimed Acrylics to help reduce the amount of paint ending up in landfills around the country. DecoEARTH Reclaimed Acrylics are made up of recycled house paint that was collected by states across the United States. During the sorting process all damaged or hazardous paints are removed. Our proprietary process eliminates impurities and adds premium materials back into the paint to meet the exact specifications of a DecoArt premium product. DecoEARTH is AP certified and made in the U.S. with reclaimed paint and globally sourced materials. We are committed to our new eco-conscious journey which is why our jars and lids are also made with recycled materials.

FLORAL

April 13th

\$15.00
