Wow, what a great month for painting!!! First LuAnn's class. Not just fun designing our own creations, but fun interactions as well. We were all given the task of looking at our painting tables, and seeing what is there.....that was not made for our craft! The fun little tickets with inspirational sayings! Thank you, LuAnn!

I would also like to Thank Steve and Sam for helping set up and take down the tables. It sure makes it easier to be ready when you all arrive! Pam rewarded them with some of her wonderful lemon blueberry cupcakes!!!

Then we had our zoom class with Paulette! I enjoyed it so much! I have almost finished my piece. Actually, I made an error when painting the final circle around the center and had to call in Pam Holliday to save me. I could see that it was flat on one area of the circle, but had no idea why....she looked at it and within moments told me what she saw. Hope to have it finished today...

September is a GAB AND PAINT (whatever you wish) day.....Good time to finish projects, and visit without interrupting a teacher.

Helen

## Vice President

I hope everyone is surviving the late summer heat wave we are having. My apartment stays pretty cool but I do have the portable air conditioner going.

My daughter took me on an Alaskan cruise this past month. We had so much fun and wonderful weather. Saw some spectacular sights and a couple glaciers. Another item off my bucket list.

This past Saturday I took the zoom class by Paulette DiGesare. She is a great teacher. I still have quite a bit to finish on my piece. I chose a metal surface and was having a difficult time with it. Paulette is the last designer class we have scheduled for this year and we will be working on classes for next year, so if you have someone you would like to take a class from next year let one of the board members know.

Our next member teacher class will be in October from Georgia Magarrell. She will member teaching (live) Truffles McFudge, a Prudy Vannier design. So cute. The flyer is on our website [tugboattolers.org](http://tugboattolers.org).

Anyone wishing to teach next year please bring a sample of finished items to our Christmas party in December. If you are unable to be there in person please submit a picture by the December party.

Enjoy the rest of the summer. Football season starts in two weeks. Go Hawks.
