# PRESIDENT

Well, can you believe it? It is October, and everyone is busy getting ready for Fall and the starting of some fall shows. I feel the nip in the air....and love it. Hubby and I are on Camano Island for a week. The weather is perfect....have daily walks on the beach, dogs are worn out. They have so many bird feeders and birds at this house!!!! Amazing...the house has a great covered deck as well as a sun room, so can sit snugly while we sip our coffees and read our books. SO nice. Have even had some good painting time.

I really enjoyed our paint day last month. I really love when we can visit while we paint....

This month, we will have a quick meeting followed by class~Georgia teaching in person Truffles McFudge.

Thank you, Cyndy, for inviting and showing our visitor around, and explaining what we do, and the fun we have. I hope she decides to join us.

October WILL be a quick business meeting before the class. Meeting will start at 10:30, board members will give reports....and some new business.

Thank you all! See you the 11th!

Helen

# Vice President

The weather is finally getting cooler and fall is here. I am ready for the cooler weather. I just got back from visiting my old paint buddies from where I used to live in Idaho. We spent a week painting together and worked on an Erica Joanne project. It was the paint blocks that spell "Create". I am not quite finished but had a great time painting and visiting.

Our next meeting will be October 11th and Georgia will be teaching the Truffles McFudge pattern. This should be a fun project so if you have not done so already please sign up. It is on our website.

See you all then!!

### Membership - Cyndy McBride

We currently have 31 members

We had a visit at the last meeting by a potential new member, Donna Reid. Donna moved here from CA where she painted for many years and is just now getting back into it. I met her at one of our markets (her daughter is a stained-glass artist with us) and she expressed an interest in becoming a member after the first of the year. If you know of anyone who may be interested in joining our club, invite them to a meeting to check it out, get a feel for our "vibe". We need to have growth for our club to be sustainable long-term
