Warm Winter Wishes to all! This will be a brief newsletter as we won't meet again until January 4th. Vicki will be teaching a cute reindeer, you need to sign up soon so there are enough surfaces. A big thanks to all that helped with our holiday party.....it was lots of fun and a great time to visit with those that attended.

Merry Christmas everyone and see you in the New Year!

Tugboat Talk

Oh my goodness, where has this year gone? So many great projects, raffles, laughter and fun. I enjoy being a member of Tugboat Toler so much. Both for friendships as well as getting to paint, and new ideas.

Hats off to all who participated in putting our Christmas Party together. I LOVE that it was early, with all the craft shows, and the business of December, actually just able to relax and enjoy it. LOVED the games, prizes and ordering what we wanted to eat and NO CLEAN UP!! Monica, the name tags and centerpieces were/are wonderful. Thank you. LuAnn, the singing for the gifts....how could we not laugh? Our tree turned out so nice....I wish I would have had a working camera. I did miss all of you who were not able to join us and wish you a happy holiday season...and know you are remembered and thought of.

I am very excited to see what will be offered for classes 2020. I hope you all got to see the darling knife holder set Georgia brought to show. There will be a picture at the January meeting....but pictures never seem to do the project justice. I hope you ALL make it so you can vote on what is taught. I know there will be some wonderful projects!!!

My wishes to you all for a year of good health, happiness and joy.

Helen

Are you interested in teaching a class or doing a demo in 2020?? We are looking for ideas for large (full-day) projects as well as short (mini-class) projects and demonstrations. Please send me your ideas and be prepared to bring detailed pictures or a sample project to the January meeting for the membership to vote on. January we will have a mini-class taught by Vicki Palmer and I will be doing a short demo on all the new finishes that have come out recently (think glitter and shine and sparkle, lol....)

Cyndi

We missed our Tugboat Toler friends who weren't with us for a wonderful party on Nov. 16th. There were some fun games, food you can order to your wishes off the menu, and generally a festive spirit. The donations of ornaments for the donation tree were lovely but I think everyone loved the many prizes for all. I only got a couple of pictures which I will try to post to the Facebook site. In the midst of your busy lives, know that you have friends who enjoy your company and care about you. I HOPE WE SEE YOU AT THE JANUARY MEETING.

December News

Bud, my buddy

Helmut Herman Goltz, Jr.

Many of you were in TBT when I first met Bud some 11 years ago. We are all blessed to have known Bud. He was sincere, full of compassion and integrity. He loved the Tugboat Toler Ladies. He so enjoyed the meeting and watching each of you create. He was so impressed at his first meeting to see Vickie paint that large flower pot while the rest of us did a little one. He was amazed at how fast some of you painted. He was always so supportive of whatever I did. He helped me paint ornaments for a TBT Christmas tree I did the first year we met.

He was so encouraging. He thought I could do anything and everything. Ours was a love of contentment. We had no room for anger at one another. We never went to bed with anger in our heart.

Words cannot ever express how much my heart aches! I am only mildly consoled to know he is in heaven and so thankful that he went so peacefully . . . his last gift of love to me.

Thank each of you for the cards, email and post. He enjoyed knowing you were praying for him.
