PRESIDENT

Hello Everyone!

Hope everyone is doing well, and their paint brushes are moving. I was sorry to miss the August paint in. I am hoping to see some of the finished pieces. I am sorry there were not many that attended. But THANK YOU GEORGIA....I can't wait to paint mine.

This has been a busy month for me. I lost two dear friends with in 3 weeks of each other. THEN found out, their husbands were BROTHERS! Actually half-brothers, so different last names. So surprised when I saw the same people at two memorials! Both were unexpected. The only comfort is I had been to see each of them shortly before they passed.

I am so looking forward to our Sept class with Jane. I love painting on gourds. Her patterns are especially cute.

This Covid problem, is really getting in the way of our FUN. Though we will not give up, we will find a way. Thankful SO much for the ability to ZOOM, not the same, but a safe alternative. We will NOT ask anyone if they are "vaccinated" or not. I feel that is intrusive, and also too personal. **But, at our September meeting...we WILL be masked** (as is required our State mandates} and will maintain social distances. There is ample room for us all, and we can still have a good time, staying safe as well.

Ohhhh BONUS~ Chrissie Richardson/ Cyndy McBride will have a table of some very interesting laser cut pieces for sale. I LOVE the pumpkins and Christmas balls. They are not pieces that are cut from or for different artists patterns. They are generic, and only limited to your imagination as far as painting goes. Cyndy has painted up a few samples to get your imagination started.

Cyndy, Pam, Barb, Lorrie and myself went down to an artist's "DE stash" in Oregon this month. lol I saw the announcement in the Rainbow chapter news.....so I asked Cyndy if she was interested. Off we went! Then Barb asked what kind of things were there...so she and Lorrie went, of course Pam showed interest so Cyndy and I went down and spent even more. GREAT FUN.

We will be having a meeting before our class, and have several things on our agenda that will need your vote. We need to try to get prepared (fingers crossed) for "normal" again.

Ok my friends, I will hopefully see you all in September. ~ Helen ~

Vice President

My, the year is racing along. Hope everyone is healthy and happily painting away :) Covid cases are surging in our area so I encourage everyone to be careful and mask up. Remember that many of our members are medically fragile, or care for others that are.....

If you are interested in teaching in 2022, please bring any potential class projects to the Sept or October meeting so that we may gauge interest. Traditional tole painting, watercolor, colored pencils, fabric painting, mixed media, make n takes....let us know what YOU want to do in 2022.

Reminder that our next class is Sat Sept 4th. This is the adorable gourd gnomes/penguins with Jane Smith. If you want the surfaces, we only have a couple sets available, so contact me ASAP. Cost is \$5. Cost of the class is \$5 cash/check or \$6 Paypal. Must be paid in advance to allow the teacher to prepare enough patterns or you will be assessed a \$3 late fee.

Our October 2nd class is the Maxine Thomas scarecrow and pumpkin, taught by Nancy Walch. Cost of the class is \$15 cash/check or \$16 paypal; surfaces available for purchase from Monica. I will NOT be in attendance at the October class so PLEASE ensure that you have your class payment in prior to class.

I encourage everyone to consider stepping up and volunteering for a board position for 2022. I will NOT be on the board....I will be retiring in January and looking forward to a break. This chapter exists to encourage a love of decorative painting....we need to keep that love going, and encourage others to join us on that journey. If SDP dues are a sticking point for you, you can request reimbursement of those from the chapter.

Thanks all folks!! See you soon!!

Cyndy
