MAY 2 MEETING

Cancelled

[Newsletter](#)

Cut-off is the 17th of the
month

President's Corner

Well, another month has gone by without getting to see all of your smiling faces!

We know that our May Seminar with Becky Albeke is not going to happen. I had sent out a request for a vote from our members and it was an overwhelming response to reschedule! I am in contact with Becky to find another date that will fit our schedule. I am looking at a date that will not interfere with our regularly scheduled meetings so we do not miss out on what we have on our calendar. I am also trying to make sure that we do not conflict with the other chapters as we have members from those groups joining us. I will keep you posted!

I know that many of you are able to stay home and isolated during this time, but some of us still have to work. But to all I say " Please, stay safe and healthy!" This too shall pass. Maybe like a kidney stone, but it will pass.

Take advantage of the online facebook classes being offered by so many teachers. Hit up YouTube to work on some of the basic painting skills you might have a challenge with. Keep your spirits up! Isolation is not easy. I go to the office and spend hours not talking to anyone!! It's hard! Who knew I love to talk?? Nevermind!

Looking forward to seeing you all in June! Fingers Crossed!

Please, I am depending on all of you to send me an email if you know of someone that needs cheering up. This is not any one person's job, the communication from every one of us is vital and I must say so far we are doing a GREAT Job. Please keep the messages coming.

I will ask our President to send me a reminder of a nice card should she hear of it. This way we are making sure no one gets left without saying **"THINKING OF YOU"**.

SCHARFF BRUSH SALES FUNDRAISER“

Fellow painters,

Just wanted to be sure you each got the word that prices have increased for Scharff brushes. Fortunately I was able to get an order in before the new prices were charged and I have the orders here. I will sort those and notify everyone this weekend. Even if we do not have a meeting or group function I will make every attempt to get brushes to those that ordered as soon as possible.

This crisis too will pass; maybe not as fast as we would like but please don't be alarmed. Sending all of you hugs, happiness, and hope. --- *Patti P.*

What a whirlwind we've been in for the last couple of months. Getting back from Vegas Convention (three of the four of us sick) just in time to be put into isolation.

I hope you all are doing well and staying safe. Have you had time to do some extra painting? Getting ready for your shows and? I have enjoyed the time off, and wish I had more energy to do the things that NEED my bazaars attention...instead, have enjoyed reading and painting NEW things....so my UFO pile is just as high as ever. Think I may have to have a burning lol. Since the local charities are all closed.

I am looking forward to the next time we actually get together again.

My friends, stay safe and healthy.

Miss you bunches.....Helen

Miss all my painting friends, miss seeing everyone. Looking forward to June? when restrictions are lifted and we can all get together again. Hope everyone is safe and healthy ...

Hello!

I came across your very fun website and thought I'd reach out to see if you know of any painters in the Norwegian or German folk styles who could do a large piece in our home?

The piece is pantry doors, probably 5 ft by 7 ft, nice unfinished wood. It'd be like doing the front of an armoir. I can remove the doors and deliver them to the artist. I'd like a border of the curving floral Rosemaling style, and two central floral motifs in the middle portion.

Thank you,
Julie Seavello

May Happenings

From the Veep – Cyndy McBride:

--The brown bag challenge pieces are now due at the June meeting. If you are not going to be at that meeting, contact me so I can pick up the piece from you. Please return the piece in the original bag, or have the bag marked with the exchange number. If you have forgotten or lost that number, let me know as I have the master list..... Cyndy
